

Florida Radon, Mold & Air Conditioning

Phone: (239) 821-9574

Email: INFO@FLRMAC.COM

Florida Radon, Mold and Air Conditioning LLC services Bonita Springs, Fort Myers area and all of Lee and Collier County.

We understand the health and quality of life for your family is your number one concern. We make it our number one concern to quickly and efficiently work to remove all mold and radon within your home keeping the integrity of your living environment intact as much as possible.

Our services include:

Mold Inspection and Mold Remediation:

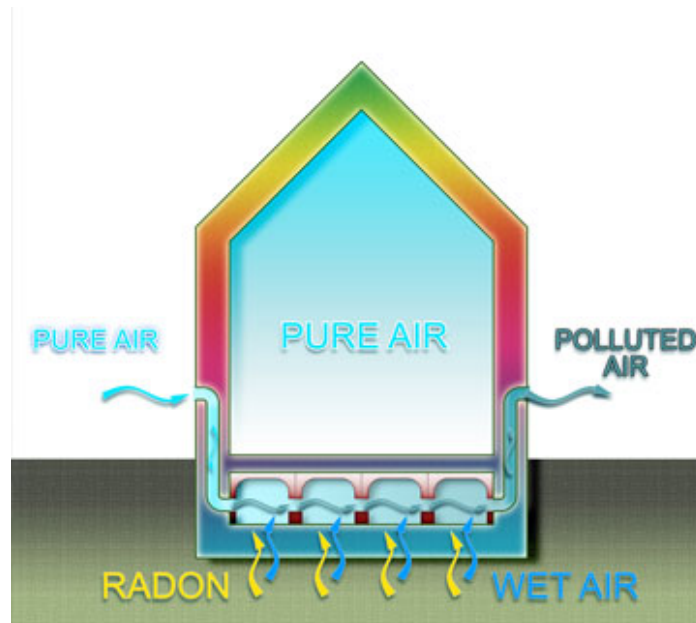

Any home or business can have mold. Mold will grow in any type of damp or humid environment. It can start without being seen, behind walls, in ceilings, craw space, HVAC systems, in your foundation and more.

There are a few different remediation methods to remove mold. The professionals at Florida Radon, Mold and Air Conditioning will discuss with you the best environmentally sound, proven plan of action for complete removal of the mold within your home or business.

Radon Testing and Radon Mitigation:

We offer radon testing and radon mitigation. If you've conducted radon testing, or if you're unsure if your home or business should be tested for radon levels, call us today to get a radon inspection to determine the levels of radon in your home or office. We also carry a variety of radon supplies, including radon monitors, to help homeowners and building professionals.

Air Conditioning and Air Purification Services:

We offer all types of air-conditioning services and a number of products, including installation, repairs, and maintenance. In addition to traditional AC repair and installation, we also offer Air Purification Systems installation. Even if you don't have allergies or asthma, we know that your home can benefit from one of our air purification systems. If you're still unsure about whether you should have one of these systems installed, don't hesitate to call us for a free estimate.

Our location in Naples, Florida allows us to serve all of South Florida including Fort Myers, Estero, Bonita Springs and all of Lee and Collier County.

For a complete list of our products and services, please contact us. We offer free estimates for any residential and commercial project, and we urge you to [contact us](#) today.
